“ I couldn't make it to your services yesterday but I was thinking of you. Prayers to all your loved ones left behind. Rest peacefully in the arms of The Lord and may you once again smile and dance and sing in no pain. - Leah

“ I will remember Tifani as a friend who was always willing to lend an ear. She was by my side through many hard times and she was a fiercely loyal friend. I will always miss the old times when we used to go out after work and start trouble. I would have to say my best memory of Tifani is probably us sitting on the beach in Cabo sipping margaritas and hearing her laugh. RIP Tifani.

“ When my husband was killed Tifani was one of the nurses from Northwestern that came all the way out to Sandwich to see me. Her love made my journey a little less painful. I then moved to Wyoming and lost touch...then FB came along and we reconnected...I will miss your friendship and kindness. Love Susan Rediger Jackson Wyoming

“ When I first started at Northwestern, I was assigned to Plastics. Tifani was the charge nurse and she quickly became my friend. We had a lot of great times together.

I regret that her and I never seemed to be able to get together in the last year or so, even though we both had the best intentions. She was a beautiful, caring person and I will always keep her in my thoughts and prayers.

Godspeed to heaven Tif.

“ Tifani took me in when I was twelve years old. She became my mom. She was a loving mom to all her children. I have a lot of good memories I don't even know where to start: She and I would make pizza every year in my high school days. I will always remember our Florida trip together. I LOVE YOU MOM.
