“ *Monica and Anita's Family, May God comfort you during this difficult time. It's so hard to lose someone you love, and though words an't take away the sadness you feel. I hope it helps to remember that your loved one is in God's care. Please know that you're in my thoughts and prayers. Anita and I had the same father but different mothers. I remember Anita as a beautiful young girl. The many years have passed in which we lost contact with each other ad for that I am sad.*
