“ May the Lord keep you safe during your travels to his Home. Unc was one in Million the Man I know that jumped a Bridge in a Stationwagon and we live to tell the Story. Unc taught me how to Drive in the fact someone had to get us Home Me stirring And Anthony working the Gas and Brakes. We had some great times growing up with Unc there was never a Dull day when it came to hanging out with Him. The only Man I knew at the Time that spoke better Spanish than English coming from Backwoods Mississippi. LOL I Love YOu Unc and will Forever Miss You but the Story You left me with I will Never Forget You. So we must look at this Transition and Smile for he is in a Better Place. Stay Forever Blessed Family for he Loved You All.
