“ Little princess Aubrey,
Keep your Mommy and Daddy safe as you
watch over them from your perfect cloud. Be
their protector, and offer them strength to
heal. Your time with them was brief but that
doesn't lessen how much love they have for you. Sweet little girl,
find peace and happiness and know you are very loved!

Rebecca and Brandon:

*I am so sorry for what you are going through, this pain is
unimaginable. I hope you both can find peace and comfort in each
other and your God. She's watching over you all now, and
protecting everyone that loves her. You will be with her again, you
just need to wait longer then you both expected. I hope you and all
your family find the strength to get through this. I love you both.*
