“ Aunt Janie, I miss you so much. I'm still in a little shock my phone won't be ringing for us to talk. You have been my favorite Aunt since I can remember. You always said "us babies have to stick together" and we did! I'm happy for you that your with Rhonda, Little Ronnie & the rest of our family. I will always have your back even down here until it's my turn. Keep my spot warm & im so happy you got saved right before all this happened. You were one of a kind and I will ALWAYS laugh when I go through Sounthern Illinois and our Tupperware cup! And who can forget all the bubbles I blew for your fish on your move down here only for us to leave him to die when we unpacked you!?!? Hahahaah. So many countless memories. The rest of my life I will honor you. I miss you and will still always have your back. Thank you for being the best, funniest and prettiest Aunt I could've asked for! Huh everyone and keep my spot warm please ... I miss you like the day is long & will cherish our memories forever. 🍷👉👈

Janie had a heart of gold. She truly loved her children. I can remember how she would sit and talk with my dad. She looked forward to his visits. She will be greatly missed by so many. Our deepest condolences to all who loved her. Love Kathleen & Joe LaBarge
