“ We weren't neighbors, we don't know his parents. We don't know exactly when it happened. But Bryan entered our lives and hearts just by showing up to work. His friendship and smiles made our days more enjoyable every time we saw him. Our heartfelt condolences to his family. I thank God we knew him, even for a short while. Rest in peace Bryan.

“ My deepest condolences to Bryan's family. I remember him as an active little boy who always had the biggest grin on his face. Full of energy but never caused any trouble. My heart is broken at the news of your loss.
