BG

“ Carlos has always been a ray of light, his smile would light up a room and his hugs warmed your soul. He loved his family more than anything in the world, he talked about them every chance he had. His mom & his dad were his best friends. He loved his mom's cooking especially her pasta, soup and meatballs. He looked up to his brothers, Ernesto & Alex were his idols. He their love of cars & Chicago Bulls with them. He had a really special bond with his sister-in-law, Brianna. He would always talk about how kind and sweet she was, and how she took good care of him. He said he loved her like a sister. Carlos adored his Grandma, he loved her hugs and her cooking, he said he thinks that is why his mom is such a good cook. When he got back from Mexico after visiting her, he said he really enjoyed spending time with her. Carlos also loved his dog Mickey, even though he said he was crazy, he always knew when Carlos needed to just snuggle.

Carlos was friends with everyone, he would make sure everyone around him was being included and that nobody was being left out. He loved to dance and loved being silly. He always had something to say or a joke to tell. He will be remembered for his sweet smile, his kindness, his ability to accept everyone he met, and his love for life. He really was a blessing to everyone he met. He will be missed deeply by his aunts, uncles, cousins, his Crystal Lawns Family and the countless friends he made along the way. Our world is a little less bright since losing our sweet friend. Rest is Peace Carlos, we all miss you so very much.

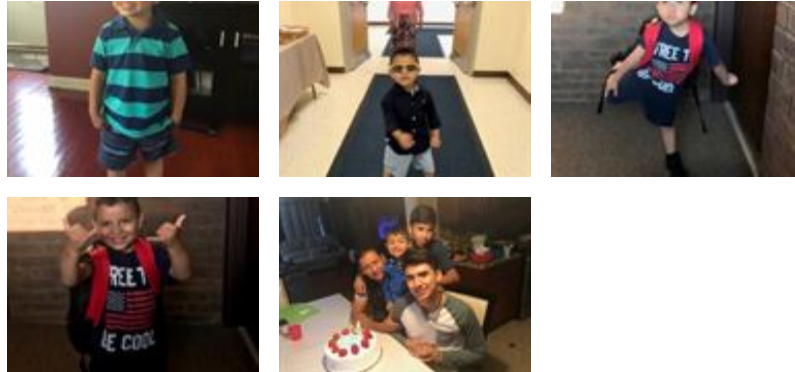

Love, Miss Beth
