

Carmen Guadalupe De Leon

January 9, 1974 - September 1, 2023

Heaven welcomed Carmen “Guadalupe” De Leon, beloved wife, and mother, on September 1st , 2023. She passed peacefully at home surrounded by her loving family. Carmen was diagnosed with Stage 4 Pancreatic cancer on December 9th, 2023. Carmen fought hard with faith, strength, and never once did she give up. Carmen worked as a custodian for the majority of her lifetime as well as decorated events in the local Joliet area. She created beautiful stunning displays. Her decorating career began with doing free set ups for the Quinceañeras of local families who couldn’t afford it. She worked her way to being a true expert at her craft. But the one thing she loved the most was balloon décor. She also enjoyed watching cartoons and Netflix series. She would never miss her Novelas. Carmen loved having a good time and went to see La Sonora Dinamita and Grupo Mojado. Los Tremendos Diferentes was her favorite. She enjoyed eating at BC Osaka and El Huichol. Most of all, Carmen loved spending time with family and loved talking about her childhood. She was a staple in the community and often donated time and decorations to various churches for religious events and participating in the local community events of Friends De Joliet.

Our family would like to say thank you for the love and support given by the medical staff at Ascencion St. Joseph Hospital, Lightways Hospice. And a special thank you to the friends and family who have stood by our side, thank you so very much for being there throughout her cancer battle. Carmen will be

missed deeply by everyone blessed to have known her.

Preceded in death by her mother, Alicia. Her son, Ivan, her aunt Alicia, and brother, Juan Garcia De Dios.

Carmen is survived by her three loving Children: Edgar, Diana and Jasmin.

In Lieu of flowers, memorial donations would be greatly appreciated.
