Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.
Now I am contented
That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps

“ Dear Juricic Family,
Chuck will be missed. I am so sorry that he left us so soon.
His sense of family and friends made him very special in our lives. I remember the fun times at the cabin at the river.
He leaves behind his love of life in each of you.
My thoughts and prayers are with you.
Love,
Deborah

I will always miss Chuck he was a good guy. MY mom& dad loved like a son . I had the young Chuck we had lots of fun. One time chuck & I and some friends were hanging out by our school. We were kissing Father John started yelling at us at us. We all started running he ran after us we started laughing so hard we had to stop. FJ caught up with us started yelling at us we couldn't stop laughing at him. FJ said to me he is a bad boy I said I like bad boys. Chuck was not a bad boy with me. We had a lot of good times I started going with him in sixth grade don't ask me way he picked me but I'm he glad did. We have a beautiful daughter from it. Chuck will always be in my heart.

“ Chuck Juricic, was known as "The Ace" by me and a few others. Yes, he was an Ace in many ways. Always a family man, he loved his family, all of them! He was a guy you could always trust to have your back no matter what. Butch & I had many good times and adventures throughout the years. I have so many memories, I will always cherish these. He was always my best friend. So, rest in peace Chuck, go shoot some big bucks and leave a couple for me.
