It is with deep sadness we announce the passing of Daniel Antonio Perez, our loving son, father, brother and friend departed from this life at the young age of 36. Daniel was loved by many. He was known and remembered for his big smile, kind heart, and always eager to help others in any way he could. Daniel was a loving and attentive father to his two kids Romeo and Valentino. “ *There are moments in a nursing career that remind you of how delicate the balance of life is. Taking care of you was one of a handful of these moments for me. You were taken from this world way too soon and the amazing person you were was easily seen in the care and love of your friends and family. It was an absolute privilege and honor to care for you. For your family, especially your mother, you are in my thoughts and my heart. I hope that you find comfort and peace with this someday. Amity*
