“ *Faye and babies you have showed your dad / grandfather that you all loved him. You have no guilt. I seen how you all have went far and beyond for him. I seen you cry because you wanted to do more. But I encourage you all to put your total trust in God. And you have done a wonderful Job with your dad. You were there tired and all. GOD BLESS YOU BABY! Love y'all*

To My G-PoP

Although the time has just come for us to part you will never be that far away because you will always be in the hearts of your true loved ones. I treasured every moment with my G-pop where there was never any bad and I will think always about the past and you will be remembered and not just by words but with the love you spread throughout the family

*Now as I sit hear remembering rolling through the eastside I always checked on you. Came n picked u up n took u for a ride n I didn't care how long it took me to strap u up in the car. We was gone ride! I enjoyed every bit of all those moments and that I will never forget amongst alot others but as I say these last words I thought I'll never say this soon G-Pop Rest up
I Love You and always had*
