*My sincere thoughts and prayers go out, to every family member and friends of Deddrick. I knew of him and members of his family, through the Kingdom Hall. Deddrick, was always nice as well as his family. I will keep everyone connected to him, in prayer. God is the inventor of family, and he obviously had an important part in his. God is also the inventor of strength, which I pray will be supplied to the measurements of the seas, to Deddrick's family and friends. Anicesha Jones*

“ Father God, losing a loved one is very painful. Please strengthen my family and Deddrick Jones Sr-Williamson friends and loved ones. May Christ dwell richly in our hearts that we may find strength and solace. Father fil every numb soul with hope and lift us when we fall. Grant us the serenity to accept what we cannot change and the courage to face the days ahead. Shelter us with your peace that surpasses all understanding. Be present in our pain and struggle and remind us of your promises. In Jesus, name, we believe and pray, Amen.

“ *Deddrick; In the 6 or so years I have known you I've come to truly respect and admire you as a co-worker, a father, and a friend. Your work ethic and devotion to work was inspiring. Your loyalty to your son (Jr) and family was unmatched. You definitely were one of the saving graces for me in my final days before retirement. Your laughter, your smile, your attitude greatly contributed to my life, and the life of my wife (she adored you). Be safe my friend and always know you are immortal in the hearts and memories of those that knew you and were blessed with spending time on earth with you.*
