“ Sending my deepest condolences to her family. This is still so hard to believe.

*Dottie gave me so much spiritual advice. We spent a lot of time together. We spoke a few weeks ago over the phone. We talked about getting together soon. I saw her again on zoom and she looked great.*

*We took this picture together a few months ago in March. Now she's gone. 💔😭💔*

*I will remember all the good times we had together.*
