“ *Since this obituary is full of gross inaccuracies, let me tell you about the Edward Sherman I knew and loved. Edward (Eddie) C. Sherman was born to Kathleen Mary Phillips and Edward McCantry of Chicago. Edward was later adopted by Kathleen's husband Samuel A. Sherman. Despite his Dennis Farina like demeanor, he was 100% Irish and 0% Italian. Aside from Edward's recent extended family, he was also survived by his SON Ronald Sherman, ex-wife Linda Sherman, daughter Dawn Dooley, half sister Judith Ann (Sherman) Bryce, and half brother James Miller. He had an incredible sense of humor, always made me laugh, and gave great inspiration in overcoming many personal demons while I was coming of age. Clearly, as many people do, he found himself in the company of others who also made him happy and them him. Despite the efforts of this obituary to erase his past and the family that loved him, there are still some of us who KNOW who Eddie is and was and will love him despite his imperfections. Those who truly knew him and loved him would not deny the existence of his blood (family) and would not propagate a false narrative that makes him out to be someone he is not. I thank you Uncle Eddie for teaching me some important life lessons and being exceptionally fun to be around. It is with great sadness that I come to terms with not seeing you again.*
