“ I was Fernando's teacher when he was in 3rd grade. He was one of those kids that you couldn't help but love! Always smiling, kind, polite, helpful... I could go on and on. I remember after he moved to Chicago he came to school to visit! He was still that same kind guy I remembered. I'm so sorry for your loss! He certainly made the world a better place! RIP in Fernando! You will be missed!❤️
