Three years ago was the turning point of no return, our dad could no longer care for himself and was in need of special care . Without the help and care of the entire staff at Kindred Hospice we could not have gotten through these most difficult times. Our family was very fortunate to have such loving, comforting and understanding caregivers. Our father was quite a Character, stubborn and very demanding. Many times he would fire us all. The next hour he would ask what's for dinner and act like nothing ever happened. We are thankful for the huge role Kindred Hospice played in our lives. They were there for us 24/7 no matter what the need was. We had many sad times and good times. Thank you, thank you. We are sincerely grateful and have much gratitude from the bottom of our hearts for the loving care of our father Goyo!

Gregorio will be missed dearly by his beloved family and friends.
