“ Heather:

We are all in shock about your unexpected passing. Only God knows why your time came so early. You were always a wonderful addition to our family and we always felt your love, attention and caring. We had great times hanging out in south Florida and Joliet.

We hope you and Christian will watch over us all from above until our time comes to join.

Love Always,

Nick, Mati, Angelo & Anna

“ Dear Heather,

It's still so hard to believe that you are gone. You will be greatly missed by all of those who knew you, especially your loving husband and daughter. We will always remember you for the caring, loving, and intelligent person that you were. And even though you left us far too soon, we know that now you can finally be at peace with your baby boy in heaven. You will continue to live in our hearts and memories till the end of our days.

May the Lord keep you in His everlasting glory. We will miss you and we love you.

With our deepest condolences and all of our love,

Alex, Carol & Lucas

"No day will ever erase you from the memory of time."
