“ Had Jair in 5th grade. One day after I had finished giving directions a student asked what are we doing? Jair turns to the student and said "he just got down explaining it" then turns to me and says " I don't know how you do it Mr. H". Such a great kid, student, and friend. Will be missed greatly. 🙏

“ I had Jair last fall (2021) in my Health education class. Jair was an excellent student; quiet and reserved yet conscientious of his work and always so very respectful. I recall how he stated, in one of his reflective assignments, his ability to be helpful to others as he valued his relationships. I also recall how his parents were his motivation do do well and work hard. Jair had a great smile and a big heart. May his family find peace in the comfort of their memories of their beloved son and brother.

“ No tengo palabras. Tu fuistes uno de mis mejores estudiantes en kinder. Bien amable y listo. Todavía tengo la planta que me regalastes. Bien grande que creció. Ahora la cuidará con más mucho amor, en tu honor. En paz descanse .—La maestra Castillo
