

## Jeanice Marie Nunez

December 14, 2019 - September 24, 2021

Jeanice Marie Nunez was born on December 14th 2019 . Jeanice was a very happy baby she loved to eat , loved watch The Trolls movies , Also loved to cuddle along side her mommy and daddy. She loved to see other smile and laughing. Jeanice just learned how to walk before her passing . On September 24th the unimaginable happened and our world flipped upside down this tragic accident led to our beautiful baby girl gaining her wings and joining our father in heaven. We know the lord welcomed her with a beautiful smile and warm hugs and kisses just like she liked. Jeanice was survived by loving parents, Jacqueline Soto and her father, Ramiro Nunez. Beloved brothers: Jayden , Josiah , & Julius. Also leaving behind her two sisters Juliana and Jaslynn Nunez. Jeanice, along with her brother and sister Josiah & Julianna were diagnosed with autism at a very young age but it never kept them from being happy & so very much loved by everyone blessed to know them. Jeanice also left behind lots of family and friends who loved her & will miss her deeply. We would also want to give a huge thank you too all who have been donating and sending lots of hugs and love our way during this very difficult & emotional loss. We appreciate all the prayers we need them the most in this time , may the lord continue to grant us the strength we need to lay our baby girl to rest. Lord knows she deserves the absolute ! Funeral service will be held at Delgado funeral home. We'd also like to thank them for all their sympathy and helping us through the tragedy.
