“ Hunny

*Eternal lights flicker
In a distant sky.
Where have you gone;
Why did you die?*

*When I first saw you,
You stole my heart,
And until this awful day,
We have never been apart.*

*I look to the heavens,
Hoping to see you anew.
Where have you gone?
I'm searching for you.*

*My painful cries
Fill the dark of night.
I need your arms
To hold me tight.*

*Where have you gone?
Show me the place
So I can once again see
The smile on your face.*

*We met life's challenges
And somehow made it through.
But how do I do it
Alone without you?*

*I know you are in my heart,
But I long to see your face.
Memories of yesterday
Leave only a trace.*

*There's emptiness now
That nothing can fill.
I so need to find you
So I, too, can be still* 🚫

“ Jesse, was the musician in our neighborhood on Chase Street and Lloyd years ago. I was able to learn so much from him through his brother Carlos "Big C." Jesse was inspirational to our music. I remember the first time I heard him play and the strong voice he has and how he played the guitar so well. Moving forward Carlos formed a Latin Rock. Jesse was a motivator. A Leader! A Brother! A Husband! But most of a musician.
