“ *I think about you so often. Endless laughs and memories together as kids. We lost touch when you moved away but even then, I was waiting for you to move back to NC. It blows me that you never came back.. forever 20. You were 3 years older than me and now I'll always be older than you. It's been 7 years and I really can't believe it. Maybe because I never said good bye when you moved or when you left this world. I think of you all the time Jose. You deserve to be here growing old with everyone. I miss you friend, I really do.*
