

Joyce B. Lambeth

June 27, 1952 - February 4, 2020

Joyce Beverly Lambeth, age 67, was peacefully called to her eternal home with the Lord on Tuesday February 4, 2020 in Joliet, Illinois.

Born June 27, 1952, Joyce was a special soul full of grace and love. Embracing everyone with her best self, she touched many lives with her kind and encouraging words. Fighting an initially victorious battle with late stage cancer in her youth, proved she was always a fierce fighter when faced with obstacles. Also a great provider to her family, Joyce worked in many customer service occupations from the local hospital and police station, two Sprint's Corporate offices. You could often find Joyce walking her furry loved one Mitzi, whom she treated like a best friend. She lived life to the fullest and loved everyone close to her dearly.

Preceded in death by her parents, Helen and Wilmer Lambeth.

Survived by her loving goddaughter Alaina Parish, cousin Sharon Gutowski and many more close friends and relatives.

“ I was her Service Coordinator and I must say from day one Joyce's strength and compassion was known. She shared with me some personal parts of her life but she also showed genuine care for me. Thank you Joyce and may you rest peacefully knowing you are now with the Our Lord and Savior.

“ Enjoy some so sad do you have departed from us. You have endured so much you were such a strong person with all you have endured I know I couldn't indoor half of what you've gone through. You suffered so much, but kept fighting through the cancer and the infection through everything. I know you're gone and you're in heaven and in peace and no longer suffering and pain. You will be missed not just by me but by your family, your goddaughter, your friends, those you've worked with and other people you have come across during your lifetime. I know you're happy to be with your mother you love so much and your father up in heaven but don't be sad for those you left behind. We will all be fine knowing you're no longer suffering and you will live on in our thoughts and the memories that we've shared. Here's raising a glass of wine to you Joyce I am happy to have known you. May you rest in peace. Your loving friend Flo.
