And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going.”

“ Juan was a wonderful Father,Husband and co-worker. But most of all I cherish the fact that he was my friend. In times of struggle in my life, he was there. When the world was falling apart under my feet, he was there. When I needed to count on someone one my jobs, he was the man. I will miss him dearly and he will always hold a special place in my heart. I am so sorry for your loss. I will always be there for you Grace as you two were for me.
