“ Juan’s passing breaks my heart. This was a truly good man, great family man and incredibly hard worker. I’ve worked with Juan as a landscape artist over the past 5 years and found his work ethic to be inspiring. I recommended him to several good friends and family and his work effort always went above and beyond. My sincere condolences to Raul and his wife and family, may God provide you with the necessary comfort you need during this difficult time.

Ray and Grace Ryan just want to let you know that one just felt like a member of our own family. We had him for at least three years and consider him a true friend. We will keep him and his family close in our prayers

I am so sorry for your Loss of Juan. He was a most beautiful person and such a gentleman. He had the most wonderful smile and laugh and I feel we were friends. We talked about flowers, plants and nature. He was a most caring person in his work and good nature and I appreciate all the hard work he and his dad helped me with for these past years. I could not have done it by myself. I am grateful and will miss him. I was just thinking of telling them how beautiful my lilacs are blooming this spring since they were pruned last fall . Sending prayers to all of you.

*My deepest Condolences,
Linda Doak*
