“ *Pinky, I Love you! And I still can not believe we are at this point. No matter what, you always called and texted everyone. You were a dancing machine. I have so many great memories of you and we always ended our conversations with I LOVE!*

“ The pain of losing you may bring many tears to all whom knew and loved you. I pray that when tears of pain fall from the eyes of family and friends they are replaced by loving laughter of memories you've left in the hearts of all. Let there be House music playing when you enter Heaven's gate.. You will be missed.
