“ Bart was a most amazing man. He welcomed us with open arms when we invaded during Nascar. Great memories will be held in our hearts forever. We weren't blood related but always felt like family. Loved our conversations because he could make his opinion known succinctly. We brought the fish for frying - he made the biscuits and gravy in the morning. He was a proud American and kept Veteran affairs on everyone's minds. Cannot express how much Bart meant to us. We loved him and our hearts are breaking for Sandy and the rest of his loved ones. Rest In Peace buddy.
