“ To our Dear Family~

Cousin Lula left us beautiful, warm and peaceful memories. We can only suppose in the early morning hours when she received the call from God to come up higher, she was ready to “put on her robe, and go tell the story to the heavenly host of how she made it over.”

Cousins, always remember, “God giveth power to the faint, and to them that have no might He increaseth strength.” There is no shoulder stronger than our God, so cry on Him; there are no arms more compassionate than our God, so let Him hold you tightly.

And family, know that we all love you, and we’re here for you.

“ In the lyrics of Andre Crouch:

*I'll be thinking of you, thinking of you
Though we're far apart, you're in my heart
And there you'll always stay
Till we meet again someday!*

Mrs Lula King was a dear soul to both my wife and myself. Fond memories of worshipping and fellowship together at Second Baptist Church for numerous years. Family, take these moments to reflect and be encouraged to carry on in this precious gift called life. Peace and Blessings!!!! Deacon Joseph & Yolonda Credle!
