“ My Nina was such a wonderful lady. Always kind hearted and had such a way of letting you know that you were special to her, and she made the best lemon meringue pie !

I never felt that our families were just friends, I always felt as if we were brothers and sisters and although we are miles apart that feeling is still as strong as ever.

I pray you all find comfort in knowing that my Nina is now at peace.

Love to you all and God's blessings to you.
