“ To the family,  
I am saddened to hear of Mario's passing. I am also glad that I had the chance to laugh and talk with him at Menard's after he stopped working here at the Health Dept. He always had me laughing. I would say, Mario, you are one cool dude. He shared his wisdom too - always with a nudge. Listen, listen, he would say and end with you just watch. LOL He loved his family and spoke highly of you all, all the time. He will surely be missed. Thank you for sharing the pictures. I can just see him dancing. I pray that you all find the strength, joy and peace in the fond memories you shared with him and that it helps calm you when times seem unbearable. May God bless you and Keep you.
