“ *I remember when Nataly and I always use to help each other with work in class and she was one of my first real friends I miss her everyday prayers to her and her family. She was the best childhood friends now she's in a better place*

“ *Nataly, you are truly an angel. You always had a smile on your face and a wonderful sense of humor. You were always so eager to learn and happy to help others. I will miss laughing with you and hearing all about Justin Bieber! Our class is just not going to be the same without you! Thoughts and prayers with your family and all the others that you touched!*
