“ *Hoy es el día que te tendremos que ver por la última vez. Nunca pensé que este momento llegaría tan rápido. Todo se siente como una pesadilla. Se siente como si te fuiste pero regresaras. Por favor regresa con nosotros. Te necesitamos. No nos dejes. Me duele mucho que esto sea real. Cuanto quisiera que todo fuera sólo una gran pesadilla y que volvieras. Algún día te veré amigo. Espero que estes contando chistes y sonriendo ahí arriba a lado de Dios.*

“ I remember this day and it was when I was mad with him because he would always ditch and leave me by myself 😂 But since I didn't want to be mad at him forever I just recorded him and he caught on and well yeah 😭 His favorite phrase was “Te perdonó”

“ Me duele mucho que ya no estes con nosotros pero yo se que Dios te necesitaba allá arriba y se que estás en un mejor lugar. Todavía no puedo creer que nos dejaste. Todos los días pienso en ti. Es triste ver todos los recuerdos que nos dejaste pero te doy gracias por todas las chistes y sonrisas. Nunca te olvidaremos pero te dejaremos descansar en paz.

I still have all the things you have ever gave me I'm always grateful , remember when we would always meet each other after every class and you would talk to me about anything , I remember when you would send me videos of you playing with your little toys and you would send me tus tik toks or funny Mexican memes 😊 Los cookouts won't be the same without you 🥰
