“ *I just read the obituary for his Mom & saw that he had passed away. We are so sorry that we didn't know before. Oscar was such a nice young man.*

He always walked by our house & stopped and talked. Saw him after he had gotten married & had kids. He would always ask how our daughter was, as they went to school together. I feel really bad i didn't know. R.I.P. Oscar, gone way too young!

“ Oscar was always a very good friend to me. He was like a big brother who protected me from the neighborhood bullies who got out of hand once in a while I could always count on him to help me out with somebody who is older or bigger than me Carlos also. I wish nothing but the best for his family may God comfort them in their time of sorrow.
