

Pilar Bernal

October 12, 1963 - December 11, 2021

Pilar Bernal,

On December 11, 2021 our mother, and our best friend, left this life to join Heaven at 58 years young. Pilar was born in San Luis Potosi, Mexico and would later spend most of her life residing in Joliet, Illinois with her family. Pilar loved Alejandro Bernal for 39 years and together they were happily married for 34 wonderful long years. Our mother was loving, caring, sweet, thoughtful, generous, and most of all she gave her heart to God daily. Crossword puzzles & coffee was something that always relaxed her the most. Pilar also enjoyed baking for others, but what she truly cherished most of all was spending time with loved ones. Pilar loved going on walks with her husband and spending time with him. She also held an endless love for her 2 son's, Alejandro & Christopher. Pilar's two most favorite companions were our animals, Ginger & Tequila.

Our mother went to the moon & back for us on multiple occasions. Pilar climbed endless obstacles for us to be where we are now. She always carried such a magical energy with her at all times.

She is preceded in death by her parents, Juana Maria & Manuel Alonso Ramirez; her in-laws; and our two beloved dogs & cats.

Pilar will always be remembered for her enormous ability to love and forever remains our beloved mother, wife and sister.

“ My dearest wonderful and sweet sister, I will forever miss your uplifting smile and your wise advice you always had for me whenever I needed to vent, one of the things I looked forward to every day of the week was walking into work and seeing your beautiful smile and catching up on what we did on the weekend. You will forever be in my heart, I learned so much kindness and compassion from you.
I LOVE YOU big sister ❤️❤️
