“ Raul will always be remembered for helping people and having a smile on his face. He loved Las Chivas, music (especially his favorite song " voy a pintar mi raya") and his cars and trucks. He also enjoyed watching his favorite player Fernando Valenzuela, who played for the LA Dodgers, and his favorite team the Chicago White Sox. He played baseball for his home team Arandas, JI and was so proud to be born there. His kids were the pride and joy of his life. We know that he will always be with them and his amazing wife, that never left his side. He fought so hard to be with his family and completed his final wish to see all his kids as adults. Even though his body fought against him his mind and soul never gave up. He was the kind of friend that everyone wanted and needed. If anyone needed a job, to borrow money or a shoulder to cry on he was the one everyone called. He would never turn his back on anyone and thats something all of us will be proud of and something we will always try to do to honor his life. He was amazing worker and never let his family want for anything. He was a member of the carpernters union local #1889 for 15 years. He created a bond with his in laws that will not be replaced with anyone. We love, honor and respect him until the day we meet again.....Aguirre Family.
