“ My favorite memory will always be the importance of family that Rudy had. All of our get togethers sometimes had up to four generations present. So many parties and fun travels. Brothers and sisters and cousins, beaches and picnics, football and boxing and Vegas. Always together as a family. Rest in peace Rudy.

“ Rudy,
Thank you for always making me apart of the family. If there was a picture in the dictionary next to the word grandfather your picture would be present as you exemplified the best grandfather any granddaughter could have. You will most definitely be missed.

“ I have so many wonderful memories of my Grandpa I don't know where to begin. I always remember my Grandpa as being a kind yet strong man whom would do anything for is family. I knew I could always count on him. He bought me my first bike when I was 5 and took me to Vegas when I was 21 for the first time. I guess my favorite thing that I will always remember about my Grandpa was that he would call me "Shenandoah."
