“ Sally was quite the force! She was always surrounded by her adoring daughters and also her grandchildren. I am so thankful that I have had the pleasure to experience her humor and care for so many years (Ottawa Street Pool shout out!). I am even more thankful (perhaps selfishly so) that she has raised Brooke into the woman I get to call my best friend. To my "extended" family and most of all Brooke: My heart is so heavy for your incredible loss, but your Ma lives on in each one of your comedies, each shopping spree, and every cuddle session you may have. Love you all.

“ Our deepest sympathy to the family of Sally. I have alot of great memories of Sally when we worked at McDonalds together and then later in life at St. Joes. She was always friendly, and fun to be around. Always had a smile on her face. She will be missed. From Debbie and John Maline

“ My beautiful and amazing Sally (my grandma) was an amazing person to be with or around. She will deeply be missed by everyone who knew her as the amazing person she was. Even through her and everybody else's rough times she held a positive mind!
