“ Sylvia loved to talk about anything with anybody. Reminiscing about music, things she used to do in the past. Always talked about Robin, worshipped the ground she walked on. She was a fountain of knowledge. It was pleasure knowing her, she will truly be missed. Major @Belhaven

“ Robin, I wish you God's peace and healing at this time. You only have one Mother, and I know you will miss her greatly. I know she would want you to know how much she loved you. She would remind you of how much happiness you brought into her life. Last, she had never felt such love until you came along. You were an amazing daughter. Much love, Lashanah C.
