“ Sending prayers & deepest of condolences to the family of Terrell. Terrell always had a smile (which was a beautiful one) every time he saw me. He was always respectful & would say hey Auntie how you been doing? I'm sure he will be greatly missed by his wife & the many that loved him ever so dearly. Remembering earth has no sorrow that God can't heal.

Love you,

“ This is really hard to write Rell. I feel the pain from your Wife a million miles away. I keep asking my higher power, WHY? It just seems really unreal. I can't take that pain from my cousins heart. I know baby Onnie don't know what's going on. It's just heartbreaking, I wish you well as your energy travels and I know you will be watching and protecting your kids,wife,mother,sister and brother. We will do our best to protect them as well.
