“ *I will remember Tifani as a friend who was always willing to lend an ear. She was by my side through many hard times and she was a fiercely loyal friend. I will always miss the old times when we used to go out after work and start trouble. I would have to say my best memory of Tifani is probably us sitting on the beach in Cabo sipping margaritas and hearing her laugh. RIP Tifani.*

“ *When my husband was killed Tifani was one of the nurses from Northwestern that came all the way out to Sandwich to see me. Her love made my journey a little less painful. I then moved to Wyoming and lost touch...then FB came along and we reconnected...I will miss your friendship and kindness. Love Susan Rediger Jackson Wyoming*

“ *When I first started at Northwestern, I was assigned to Plastics. Tifani was the charge nurse and she quickly became my friend. We had a lot of great times together. I regret that her and I never seemed to be able to get together in the last year or so, even though we both had the best intentions. She was a beautiful, caring person and I will always keep her in my thought and prayers. Godspeed to heaven Tif. Peggy*

Tifani took me in when I was twelve years old. She became my mom. She was a loving mom to all her children. I have a lot of good memories I don't even know where to start: She and I would make Patitza every year in my high school days. I will always remember our Florida trip together. I LOVE YOU MOM.
