“ *Our company worked with Will while he was with Memorial Hermann. One of the nicest, genuine good guys you just like being around. He spoke very highly of his family and was very proud of his children. I enjoyed listening about his motorcycle and weight lifting interest as well as the work interest which he was passionate about changing for the better good of the system. You just wish all clients were like him!*

*I watched a video a few minutes ago with his take of recruiting and retention. Brought back a sadness for one that had life cut so short and offered so much for our future.*
